

WORK EXPERIENCE

JUNIOR WEB DEVELOPER

March 2024 – August 2024

SOI DORA HANDICRAFTS

- Designed and developed a visually appealing, user-friendly website showcasing handcrafted products from rural Indian artisans, improving user retention rates by 15%.
- Integrated e-commerce functionality tailored for handicrafts, enabling secure transactions and fostering a connection between rural artisans and global markets.
- Customized product catalogs, inventory management systems, and user authentication features to meet unique client requirements.
- Conducted cross-browser testing and debugging to ensure websites functioned seamlessly across all devices and platforms.

JUNIOR WEB DEVELOPER

December 2023 – April 2024

LOCAL ERA

- Developed and maintained the agency's portfolio website, showcasing services, mission, and projects.
- Integrated the UKG Workforce Management platform to streamline employee scheduling and payroll processes.
- Collaborated with the design and marketing teams to enhance the website's user experience and SEO optimization.
- Ensured the website's responsiveness and cross-browser compatibility for seamless access across devices.
- Utilized HTML, CSS, JavaScript, and PHP to implement dynamic content and improve website functionality

VOLUNTEER, SOFTWARE DEVELOPMENT TEAM

Jan 2022 - June 2022

SHREE ASHAPURA BIKES, India

- Collaborated with the team in developing custom website for managing showroom operations and managing inventory which reduced dependency on manpower by 30%.
- Coordinated timelines, task assignments, and stakeholder communication, ensuring smooth delivery and adherence to best practices.
- Delivered a scalable solution that streamlined sales processing and customer management resulting in enhanced customer experience.
